of enrolled students with as much advanced notice as possible. No refunds will be given due to weather. If it starts to rain during class and the tennis pro feels it is unsafe to be on the courts, the class will complete the remainder of time in the Blue Ridge Club House doing ball control drills and other tennis related indoor activities. The tennis pro will have a discussion with Michelle Morgan (Association Manager) before any indoor activity takes place.

Tennis Team: It will be the responsibility of the tennis pro (or designee) to keep the players and parents informed of match dates and times as soon as available. All players will receive a Blue Ridge Tennis Team t-shirt and will be expected to wear them at matches.
